## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Montgomery Area Council on Aging

We have audited the accompanying financial statements of Montgomery Area Council on Aging (the Council), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Council as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matter**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of activities and changes in net assets with donor restrictions on pages 20-21 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Organization**

The Montgomery Area Council on Aging (the Council) is an incorporated nonprofit organization which provides various services for the elderly in Montgomery, Alabama and surrounding areas. The Council is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and similar provisions of state law. The Council operates under the supervision of a Board of Directors.

**Basis of Presentation**

The financial statements of the Council have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities at year-end. Net assets, revenues, expenses, gains, and losses are recorded based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Council and changes therein are classified and reported as follows:

***Without Donor Restrictions*** – Net assets that are not subject to donor-imposed restrictions.  
Investment in property and equipment, net – Assets invested by the Council in property and equipment, net of accumulated depreciation and any related debt.

***With Donor Restrictions*** – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Council and/or passage of time.

**Cash Equivalents**

For purposes of the statements of cash flows, the Council considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

**Contracts, Grants and Other Receivables**

The Council reports receivables at net realizable value. Management determines the allowance for doubtful accounts based on historical losses and current economic conditions. On a continuing basis, management analyzes delinquent receivables and, once these receivables are determined to be uncollectible, they are written off through a charge against the allowance for uncollectible accounts.

**Investments**

The Council carries investments in marketable equity securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. Realized and unrealized gains and losses are included in the change in net assets in the accompanying statements of activities.

**Property and Equipment**

Property and equipment are recorded at cost, or fair market value if donated, less accumulated depreciation. Buildings and equipment are depreciated over the estimated useful lives of the assets using the straight-line method. The Council's policy is to capitalize items with a cost or donated value greater than \$1,500.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Fair Value Measurement**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date. This level of the fair value hierarchy provides the most reliable evidence of fair value and is used to measure fair value whenever available.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in markets in which there are few transactions for the asset or liability, the prices are not current, or price quotations vary substantially either over time or among market makers, or in which little information is released publicly;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs which are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Restricted and Unrestricted Revenue and Support**

Contributions received are recorded as support without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**Noncash Contributions**

Noncash contributions are recorded as support at their estimated fair value at the date of donation. Such contributions are reported as support without donor restrictions unless the donor has restricted the contribution to a specific purpose. Noncash contributions donated with explicit restrictions regarding their use are reported as support with donor restrictions. Absent donor stipulations regarding how long those donated items must be maintained, the Council reports expirations of donor restrictions when the donated or acquired items are placed in service as instructed by the donor.

**Functional Allocation of Expenses**

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of the Council. Those expenses include depreciation and building operation and maintenance, printer and copier costs, postage costs, health and liability insurance, technology costs and salaries. Depreciation and building related costs are allocated based on square footage of the program. Printer, copier, and postage costs are allocated by department codes of actual usage. Costs of other categories are allocated on estimates of time and effort of employees providing direct program services.

**Use of Estimates in the Preparation of Financial Statements**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes**

The Council is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and similar provisions of the Code of Alabama. The Council has been classified as an organization that is not a private foundation under Section 509(a) of the Internal Revenue Code and qualifies for charitable contribution deduction by individual donors as stated in Section 170.

As of September 30, 2021 and 2020, the Council had no uncertain tax positions, or interest and penalties that qualify for either recognition or disclosure in the financial statements.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Recently Adopted Accounting Pronouncements**

In May 2014, the FASB issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*. This ASU clarifies the principles for recognizing revenue and develops a common revenue standard under U.S. GAAP under which an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Council adopted ASC 606 and all related amendments using the modified retrospective transition method. The Council concluded that, with the adoption of the new standard, no changes were necessary to conform to the new standard.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, that clarifies and improves the scope and accounting guidance around contributions of cash and other assets received and made by not-for-profit organizations and business enterprises. The ASU clarifies and improves current guidance about whether a transfer of assets is a contribution or an exchange transaction. It also provides a more robust framework for determining whether a contribution is conditional or unconditional, and for distinguishing a donor-imposed condition from a donor-imposed restriction. The Council concluded that, with the adoption of the new standard, it did not have a significant impact on the financial statements.

In August 2018, the FASB issued ASU 2018-13 *Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement*. This ASU modified the disclosure requirements on fair value measurement by (1) In lieu of a rollforward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities (2) for investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly (3) the amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date. The Council concluded that, with the adoption of the new standard, no changes were necessary to conform to the new standard.

**Recent Accounting Pronouncements**

In February 2016, The FASB issued ASU 2016-02, *Leases (Subtopic 842)*. The purpose of this ASU is to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on their statements of financial position and disclosing key information about leasing arrangements. The amendments in this ASU require that lessees recognize the rights and obligations resulting from leases as assets and liabilities on their statements of financial position, initially measured at the present value of the lease payments over the term of the lease, including payments to be made in optional periods to extend the lease and payments to purchase the underlying assets if the lessee is reasonably certain of exercising those options. Subtopic 842 requires recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under previous U.S. GAAP. The standard is effective for the Council for the year ending September 30, 2023. The Council is currently evaluating the impact of this guidance on the financial statements.

**Subsequent Events**

Management has evaluated subsequent events through November 16, 2021, which is the date the financial statements were available to be issued.

**2. NET ASSETS RELEASED FROM DONOR RESTRICTIONS**

Net assets were released from donor restrictions by incurring expenses or acquiring assets satisfying the restricted purpose or by occurrence of events specified by donors. Purpose restrictions accomplished during the year ended September 30, 2021 and 2020, consisted of the following:

	<u>2021</u>	<u>2020</u>
Program services:		
Senior Services	\$ 108,009	\$ 67,812
Retired and Senior Volunteer Program	71	387
Management and general	2,918	3,802
Capital Campaign	2,011	8,722
Renovation and maintenance	<u>41,375</u>	<u>51,756</u>
	<u>\$ 154,384</u>	<u>\$ 132,479</u>

**3. RECEIVABLES**

The Council conducts a Senior Pledge Campaign each year. Unconditional pledges receivable totaling \$42,142 and \$12,815 were due in less than one year as of September 30, 2021 and 2020, respectively.

**4. PROPERTY AND EQUIPMENT**

Property and equipment as of September 30, 2021 and 2020, consisted of the following:

	<b>2021</b>	<b>2020</b>
Land	\$ 327,700	\$ 327,700
Buildings and improvements	1,178,443	1,139,376
Office equipment and furniture	206,439	211,150
	1,712,582	1,678,226
Less accumulated depreciation	1,100,377	1,086,257
Property and equipment (at depreciated cost)	<b>\$ 612,205</b>	<b>\$ 591,969</b>

During 2017, the Council entered into an intent to sell a plot of land with a carrying value of \$350,000. This land is still for sale as of September 30, 2021.

**5. PROGRAM SERVICES**

The Council's mission is to assist senior citizens by providing services to promote independent living, by offering opportunities to enhance quality of life, and by increasing community awareness of senior issues. Its many services include:

**The Retired and Senior Volunteer Program (RSVP)**, which offers volunteer opportunities for seniors age 55 and older to donate their time, energy, talent, and knowledge while performing services at nonprofit and health-related groups, organizations, and agencies in Autauga, Coosa, Elmore, Montgomery and Tallapoosa counties.

**Senior Services**, which provides programs and activities each month through Meals on Wheels, senior centers, information and referral and volunteer coordination to adults 60 years old and older.

**Multi-Purpose Center**, The Archibald Center, a multi-purpose facility which serves as a downtown Montgomery focal point and MACOA East Center serves senior citizens to socialize and learn through arts and crafts classes, educational programs, theme luncheons, recreational activities, physical exercise, computer offerings and trips, as well as providing a satellite facility. Due to the COVID 19 pandemic and out of concern for the safety of our senior members, senior activities at the Archibald Center were temporarily suspended April 1, 2020 and have not resumed. Activities at the MACOA East Center were also temporarily suspended April 1, 2020 but have since resumed June 1, 2021 two days a week.

**Community Awareness**, which provides information about senior issues, recognizes their contributions to the world around them and promotes actions to enhance the quality of their lives.

**6. INVESTMENTS – PORTFOLIO**

On October 28, 1992, the Council established the Montgomery Area Council on Aging Endowment Fund. The fund's initial principal of \$100,000 was transferred from monies raised during a capital campaign to renovate the Archibald Multi-Purpose Center. Under the terms of this agreement, both principal and income from the fund may be used to benefit the Council at the discretion of the Council's Board of Directors. The Council may designate specific funds within the Endowment Fund. Contributions to the fund may be made by individuals, partnerships or corporations, subject to approval by the Council's Board of Directors.

These investments are carried at market value and, as of September 30, 2021 and 2020, consisted of the following:

	<b>2021</b>	<b>2020</b>
Mutual funds – alternative strategies	\$ 22,034	\$ 18,760
Mutual funds	573,829	496,542
Total portfolio	\$ 595,863	\$ 515,302

For the years ended September 30, 2021 and 2020, realized gains (losses) on these investments totaled \$7,134 and \$194 respectively, and unrealized gains on these investments totaled \$80,326 and \$4,859, respectively. Investment income from these investments totaled \$20,460 and \$24,086, reported net of investment fees of \$7,209 and \$6,398, respectively.

The level of an asset or liability within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. As of September 30, 2021 and 2020, all investments are in exchange traded funds and mutual funds and are measured, on a recurring basis, using Level 1 inputs according to the valuation hierarchy.

**7. CAPITAL LEASE OBLIGATION**

The Council is obligated under a lease-purchase agreement for a copier. The terms of the lease include an option to purchase the copier at the end of the lease term. The capitalized lease agreement at September 30, 2021 and 2020 consisted of the following:

	<b>2021</b>	<b>2020</b>
Lease agreement with US Bank, payable in monthly installments of \$185, including interest at 4.75%, maturing September 2023, secured by equipment	<u>\$ 4,395</u>	<u>\$ 6,356</u>

Following is a summary of property held under capital lease as of September 30, 2021 and 2020:

	<b>2021</b>	<b>2020</b>
Copier	\$ 9,863	\$ 9,863
Less accumulated depreciation	<u>6,082</u>	<u>4,110</u>
	<u>\$ 3,781</u>	<u>\$ 5,753</u>

Future minimum payments under the capitalized lease agreement as of September 30, 2021, are as follows:

2022	\$ 2,220
2023	<u>2,220</u>
Total lease payments	4,440
Less amount representing interest	<u>45</u>
Present value of minimum lease payments	<u>\$ 4,395</u>

**8. LIQUIDITY AND FUNDS AVAILABLE**

The following table reflects the Council's financial assets as of September 30, 2021 and 2020, reduced by amounts not available for expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year, restricted by an outside donor for a specific time or purpose or because the governing board has set aside the funds for specific contingency reserves and projects.

	<b>2021</b>	<b>2020</b>
Financial Assets:		
Cash and cash equivalents	\$ 760,977	\$ 749,145
Receivables	97,293	61,245
Investments	595,863	515,302
Financial assets, at year end	1,454,133	1,325,692
Less those unavailable for general expenditure within one year, due to:		
Assets and accumulated earnings subject to purpose restrictions beyond one year	(534,062)	(597,512)
Financial assets available to meet cash needs for general expenditures within one year	\$ 920,071	\$ 728,180

**9. RETIREMENT PLAN**

The Council set up a Safe Harbor 401k plan during the current fiscal year, which is available to all employees who meet the eligibility requirements. Retirement contributions totaled \$21,002 and \$21,073 for the years ended September 30, 2021 and 2020, respectively.

**10. CONTRACTUAL AGREEMENTS**

The Council performs various services under contracts that are subject to review and audit by federal and local agencies. Such audits could result in a request for reimbursement by the applicable agency for expenditures disallowed under the terms and conditions of the contracts. The Council's management's opinion is that such disallowances, if any, would not be material to the Council's financial statements.

**11. CONCENTRATION OF CREDIT RISK**

The Council maintains its cash in bank deposit accounts in financial institutions which at times may exceed insured limits. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution. The Council's uninsured cash balances totaled \$405,591 and \$255,648 as of September 30, 2021 and 2020, respectively.

**12. NOTE PAYABLE**

During the fiscal year ended September 30, 2018, the Council entered into an agreement with Renasant Bank for a note payable to finance the acquisition of a lot, including vacant buildings, adjacent to its property. The note matured on July 25, 2019. In July 2019, the Council renewed the loan with quarterly interest payments at 5.50% APR on the outstanding principal, with one principal payment due on July 25, 2021. The loan covenant contains a contingency that the loan balance be paid in full in the event that the land classified as held for sale is sold. As of September 31, 2021, the principal balance was paid off.

**13. RISK AND UNCERTAINTY**

The outbreak of the novel coronavirus has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus pandemic and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued material adverse impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the novel coronavirus. Nevertheless, the novel coronavirus presents material uncertainty and risk with respect to the Organization, its performance and its financial results.
